Welcome to the 26th Annual Fall Premier Sale,

It's been said, 2020 is like looking both ways before crossing the street and then getting hit by an airplane!! There is no doubt this year has been one for the record books. In addition to all the changes and new vocabulary we have experienced, we have also spent more time with family, turned back to our faith and values, and learned that the agriculture industry and its people are steadfast and strong. One thing that has been extremely impressive is how the organizers of the cattle shows have dug in deep and proven they will go the extra mile to continue to produce shows and cattle events. The participation at these events has been unbelievable, which proves the power and value of our industry.

This Fall Premier Sale is definitely one of our most anticipated events of the year. This set of females is nothing short of amazing. We have been very fortunate to have sold many champions over the years, but this group has more potential than any we have ever offered. All the breeds are loaded with proven pedigrees and built for the long haul. You can buy with 100% confidence!!

The past few years we have been including a few mature cows in this offering. However, we have decided to feature 250 head of Hereford and Maine bred cows and pairs in a cow sale next May. I guarantee this sale will be loaded with power, so mark your calendars and plan on being with us next May for the "Sharing the Tradition" cow sale.

We cannot say thank you enough to our crew! These guys are the best, they make it all happen, and we appreciate your hard work. Matt Scasta, Davey Young, Caleb Nixon, Seth Buckley, and Emmett Byrd you guys make us look good! We are also blessed with some great help during sales and shows. We couldn't do it without Jeremy Clark, Trenton Tosh, Brett Carter, Jake Zumwalt, Ethan Moore, and all our great exhibitors and their families. We couldn't be prouder of our big show family and our great team!

We have built our program with customer service and we know your success is our success! We are here for you whether you need help preparing for a show, making breeding decisions, or marketing assistance. We welcome you to our team.

We will be hosting our annual Judging Contest again this year. Registration will begin at 7:30 A.M. Saturday at our show barn. Please park in the sale barn parking lot. There will be 4H/FFA, Junior College, and Senior College Divisions. We won't be taking reasons, it will be questions only. Lunch will be provided by Martindale Feeds, awards will be presented prior to the sale. We are very happy to welcome Anipro/Xtraformance Feeds as our judging contest sponsor again this year! Please contact us if you have questions.

Thank you,

Jirl

BOE EPIC

We purchased Epic in the Denver Maine Sale in 2017. He was the Grand Champion Maine-Anjou bull in Denver and Fort Worth in 2018. He was selected as the Maine-Anjou show bull of the year in 2018, as well as the Champion of the World Maine-Anjou bull. His first calf crop was born in 2018 and that's when we knew he was going to be a great breeding bull. In his first calf crop, three calves sold for over \$100,000 each and several in the \$20,000 to \$50,000 range. The first Epic offspring hit the show ring in 2019. He sired the Grand Champion Maine Bull and the Grand Champion Maine Female in Denver, Grand Bull and Grand Champion Junior Female in Fort Worth, Reserve Grand and third overall female at the Maine Junior Nationals, Grand Champion Maine and Res Supreme Champion Female at the Indiana State Fair, not to mention all the division champions and reserves. In 2020 he just gained speed, he produced Champions again in Denver, Fort Worth, State Fairs, and Grand and Reserve at Junior Nationals. Epic semen is only sold in our online sales and special sales. He is truly a great breeding bull, and is leaving an impact on the Maine-Anjou breed.
