WHERE CHAMPIONS ARE A TRADITION.

Welcome to Buck Cattle Company. This sale is our 21st Fall Premier Sale. It's amazing how time flies when you're having fun! 2015 has been quite a year for the beef business and for our program as well. The market is strong, the drought has broken, and the future looks bright for the seed stock producers.

We are extremely excited about this offering of elite females. This sale has a history of producing champions and a source of great producing females. We don't want your success to end with a purple banner, how the females produce for you is what really makes it work. As you go through the catalog take notice of the number of females that their dams or grandams were purchased in our past sales. Forty of the 47 head of Maines dams or grandams sold through this same sale ring. Last December, we basically sold all our mature Maine cows so we are depending on our customers to supply the females for this sale.

The Maine-Anjou and MaineTainer females are the best set we have offered in years. The quality is deep, and the pedigrees are awesome. We have had a lot of success the past several years but I expect more of this group than any.

Our Hereford program is building, and as we get more females in production I think we can step up numbers in the future. We sorted this group hard and they are really good. We may not be offering big numbers of Herefords but the quality is here.

These cattle have experienced a crazy year for weather. It was extremely wet all spring and when it finally stopped raining it became hot and dry. They have done well and I feel sure you will be impressed when you see them. Each year we have been fortunate to sell some high dollar females and happily many of those females have proven to be very successful. However, pay attention, every year we sell heifers from \$4,000 to \$7,500 that win State and National Shows.

We feel blessed to be able to make our sole living in the cattle business. There are plenty of tough times, but there are truly rewarding times as well. We are so thankful for our crew, customers, friends, and our family. Matt Scasta has been with us for 19 years and we could never thank him enough for what he has done for this operation. Matt also has an awesome crew working along beside him, Seth Buckley, Matt Loggains, Ethan Moore, John Choate, Ace Mchatton and Emmett Byrd. These guys are the best and they make it all happen!

We have a busy fall lined up with online sales in November, December, and January. These sales will feature several outstanding females and herd bull prospects. As always, we have breeding age bulls for sale at private treaty at all times.

Customer service comes with every lot and when you buy here it is part of the deal. If we can assist you with preparing for shows, making breeding decisions, or marketing decisions don't hesitate to give us a call.

We will be hosting our annual Judging Contest again this year. It will begin on Saturday at 7:30 AM at the Red Barn on the north side of Highway 70, just north of the ranch. There will be 4H/FFA, Junior College, and Senior College Divisions. We won't be taking reasons it will be questions only, with the awards presented at the sale. And, we are very excited to welcome Sure Champ as our judging contest sponsor again this year!

We invite everyone to be with us for this event whether you are looking to make a purchase or just to view the offering. Plan on joining us for a great lunch provided by Martindale Feed and EMCO and a special thank you to the ones who prepare it Don Kendrick, Emmett Byrd, Max Runyan, Donnie Hartin, Ann Hartin, and their crews. They are awesome cooks.

You are welcome to view this offering any time prior to the sale and on sale day. If you have any questions or need assistance feel free to contact us. We look forward to seeing you October 17th.

Thanks for your interest,

Jirl

Videos of sale cattle will be posted at www.buckcattle.com the week prior to the sale.

BK Xikes X 59, sire of Lots 1, 2, 3, 4, 5 & 6.

- Dupree's purchased her dam in our Sharing the Tradition Sale.
- She is sired by BK Ambush which is a Statesman out of Roxbury, making her line bred Roxbury. Not sure we planned this but it worked!!! She's good!

UNDERSTANDING THE NUTRIENT VALUE OF YOUR HAY CAN INCREASE PERFORMANCE AND SAVE YOU MONEY!

HAVE YOUR HAY TESTED FOR FREE!

Our complimentary, custom hay testing services provide the information you need to understand when protein or energy is needed to maximize performance in your herd. Based on your hay sample, this report provides what months since calving you should be supplementing protein and/or energy or when your hay is meeting nutrient requirements and supplementation is not needed. Don't miss opportunity or waste money not knowing!

VITAFERM® PRODUCTS / SOLUTIONS:

All VitaFerm Power Products contain 20% protein plus Concept•Aid® mineral.

Concept•Aid® Power Tub™:

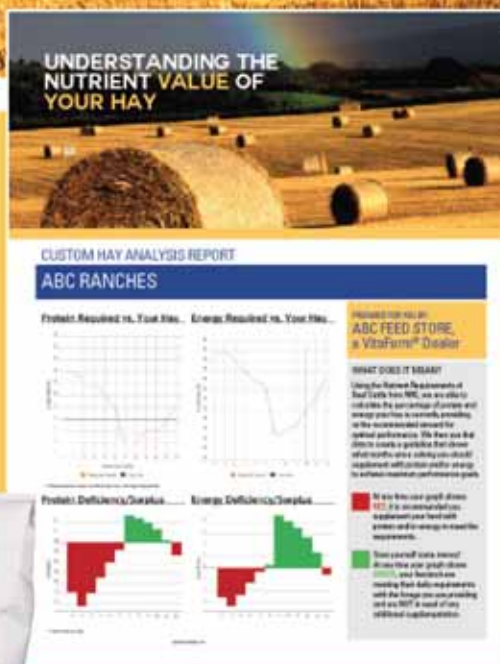

The durable plastic tub makes it perfect for a wet environment. Offers the palatability of molasses.

Concept•Aid® Power Meal™:

This loose meal is ideal for all situations including pen or bunk feeding, and can be offered free choice or force fed.

Concept•Aid® Power Keg®: This biodegradable keg is great in dry environments where cattle are not confined.

Amaferm®, the key ingredient found in ALL VitaFerm products, increases microbial protein, the purest protein, availability by approximately 34%. Amaferm also increases energy by approximately 16%, each bag of VitaFerm provides enough energy to replace 200 lbs of corn. Contact us for more information on energy supplementation.

HooDoo
HooDoo

- This one is stout from the ground up. Huge feet, big boned, extra deep, wide based, and has a nice look.
- Jeffrey's purchased her dam in our 2007 Fall Premier Sale to put in their club calf program. Last year they decided to breed her to Fire Water and make some females. They made the right choice!!
- Her sire Fire Water needs no introduction his offspring have dominated across the country and they continue to out produce themselves.

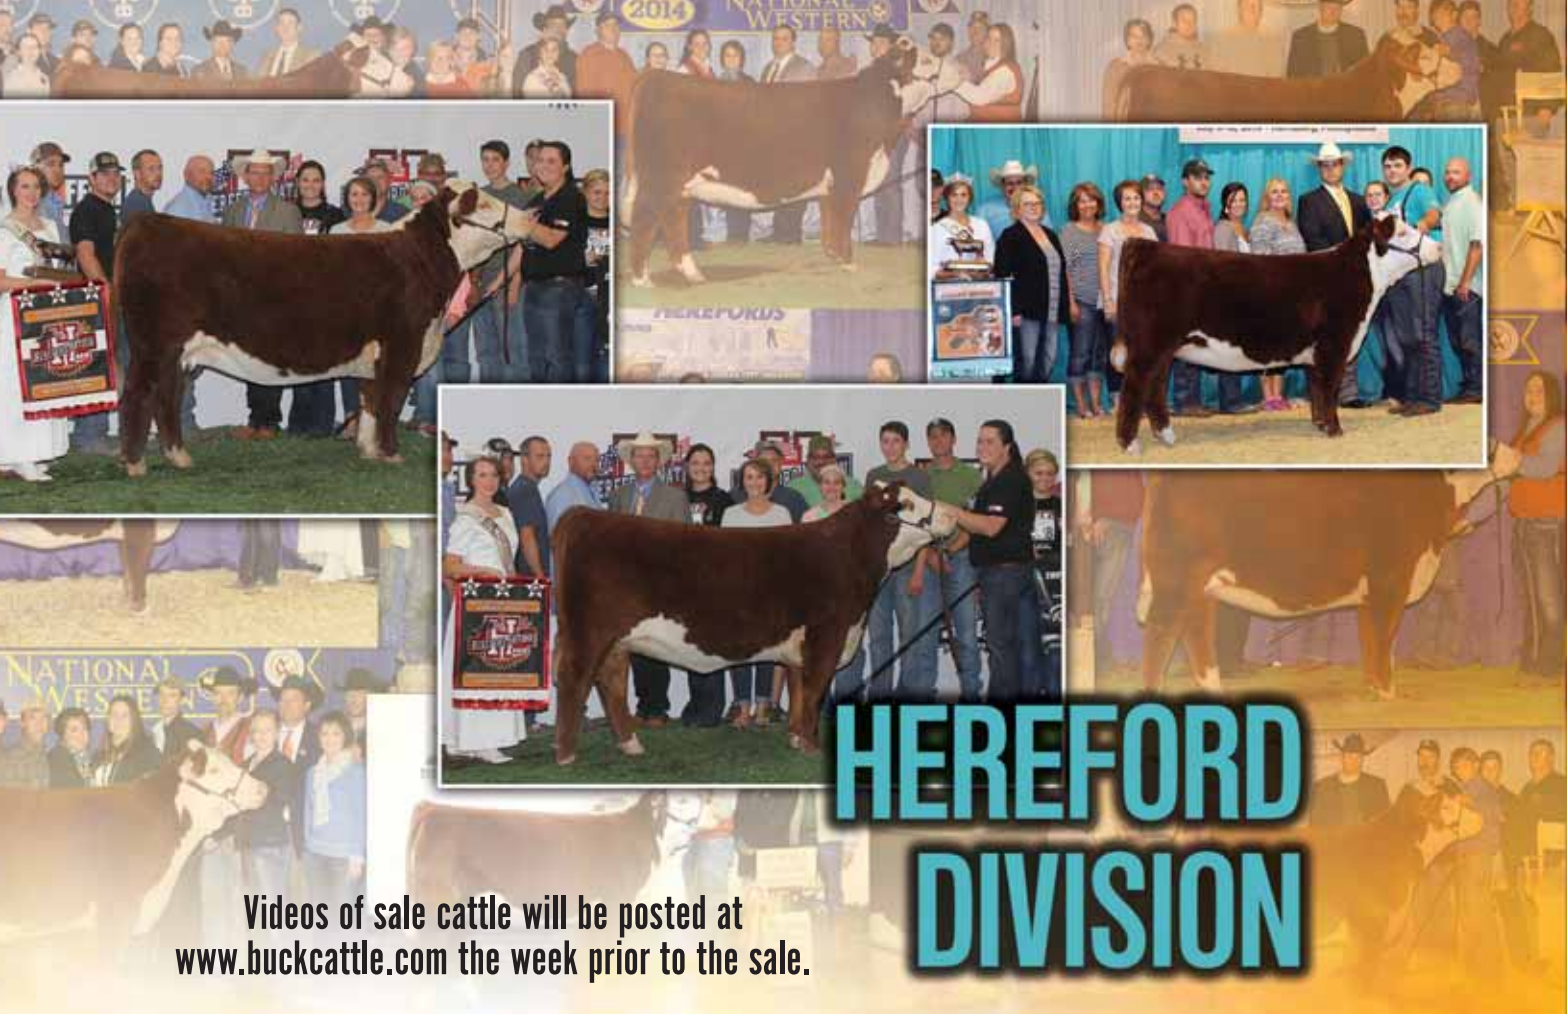

**THANK YOU
JOHN BODDICKER**

John Boddicker is retiring this fall after serving over 25 years with the American Maine-Anjou Association. We would like to thank John and his wife Rhonda for all they have done for this breed as well as our program. When we started out, John was one of the guys that encouraged us to not give up, to be better, and to be progressive as a Maine-Anjou breeder. He has done an awesome job representing the breed and I know he will always "Bleed Maine-Anjou". John is leaving the AMAA in the hands of a great leader and a fine man, Mr. Blake Nelson. We look forward to Blake taking over the reins of a fast horse and we wish John and Rhonda the best as they trot off in their wagon to enjoy retirement!

Thanks for everything John.

THANK YOU ...

The Hereford breed has been a great addition to Buck Cattle Company. This year was Bailey's final Junior National Hereford Expo. We have always enjoyed the time spent at Junior Nationals as a family and the friendships that we have made. We were welcomed into the Hereford Breed and that says a lot about the people. Your kindness has left a lasting impression on us. Bailey was fortunate to experience much success in the Hereford arena but this summer topped it off. We would like to thank all the Hereford breeders and exhibitors for the support and friendship you have given Bailey the last six years. We are excited about our future in the breed and we look forward to many more shows with our customers.

I would also like to Thank Craig Huffines for his great leadership at the Hereford Association. Craig was one of the first guys to welcome us to the breed and encourage us to become more involved. We want wish him good luck and say thank you! We are very pleased to have Jack Ward taking the breed onward. Jack is the one that convinced us to purchase our first Hereford female!

- Soft and maternal with added quality. She's a show heifer but her breeding value is off the charts.
- Her dam 51W was one of our original Hereford purchases. She was extremely successful in the the show ring but her days in production have been phenomenal. She has produced several great females including BK H Yahtzee 1088 the dam of our \$82,500 top seller last spring and several great herd bulls including Game Changer.

- Striking looks with maternal power!
- This 51W daughter has a cocky look with added power and substance.
- She had an ear infection as a calf and she has a little tilt to her head, it doesn't bother her at all and it's not noticeable when she's on a halter.
- This one will be a good time in the ring and a great production piece.
- EPD'S ... CE: -0.4 BW: 2.6 WW: 55 YW: 95 MILK: 22 M&G: 49

MCR PPF MIsS Gold DOM 206 ET
DAM: PURPLE Kardashian 892U HPH 80P Sawyer 72S
Mandy Walk 521D 9726

- Great built, sound footed, lots of shape, and extremely good looking.
- Neal Ray Davis purchased her dam from us, a bred heifer to put in his ET program. She has done a great job producing both powerful herd bulls and elite show heifers. We sold a daughter in 2012 to the Moore Family that won her division at Jr Nationals and in Ft Worth. Kash Long showed another daughter that was Champion in San Antonio.
- She arrived here two days prior to picturing her and she was really green conditioned. This one is going to be really good!!! Last year the final heifer in the sale catalog won Junior Nationals this year!
